

LYNNE HUNTER, PGA/LPGA

Kenwood Golf & Country Club

Candidate for Middle Atlantic Section Secretary

Dear Middle Atlantic PGA Section Members,

I am writing to express my sincere desire to serve as Secretary of the Middle Atlantic PGA Section. I have been an active member of our Board of Directors for the past six years. During my time serving our Section and MAPGA Professionals, I have thoroughly enjoyed learning about our Section and its great history. It has been an honor to represent our membership and to learn from the many past presidents of our Section.

While serving on the Central Chapter Board, I gained invaluable experience of our Section governance and operations. My time as the Director at Large has allowed me to gain an understanding of the needs and goals of our entire membership. If elected, I would continue to take into consideration the needs of each Chapter and balance the demands of our diverse membership in making decisions that shape our future.

I have shown an ability to lead in my chapter and at my club, and I have a passion for helping my fellow professionals advance and succeed in their careers. I am honored to have recently received the Bill Strausbaugh Award in recognition of my dedication to the game. I will continue to find ways to enhance our organization and to use my skills and expertise to further the mission of the MAPGA: to promote growth in the game of golf, to continue supporting player development initiatives and to invigorate the overall vitality of the game. Additionally, I will endeavor to fulfill our mission to the members of the MAPGA by supporting professional development and education.

I have the support of my family, my staff, the membership and the board at Kenwood Golf & Country Club to pursue this leadership position and I am excited for this opportunity to lead our great Section!

Sincerely,

Lynne Hunter, PGA/LPGA
