

John Madden - Westwood CC

John Madden, a native of the Washington DC area, has been the Assistant Professional at Westwood Country Club for seven years. He started his golfing career as a junior at Kenwood Golf and Country Club. John credits his parents and the golf professionals that taught him skills and etiquette of the game for developing his love for golf. He has continued to promote junior golf through his teaching, service on junior committees and involvement with organizations throughout the region. In 1995 he was selected as an instructor for the National Federation of Golf Coaches School which drew coaches from 16 states around the country. He was also nominated for Junior Golf Leader that same year. His involvement as a youngster led to competition on the golf team while at St. John's High School and Ohio University where he earned a Bachelor's Degree in meteorology.

John's recent playing accomplishments include placing second in the 1996 Assistant's Championship, fifth in the 1995 Central Chapter Championship and first in the 1994 Kenwood Pro-Member. At Westwood, John continues to share his love of the game with young people and serves as the A-8 Director for the Section. John is married and has two young sons.
