

MIKE HEALY - Geneva Farm Golf Club

Mike Healy grew up in Baltimore, Maryland, where he was born on December 6, 1965. He attended Archbishop Curley High School and was a member of the football and baseball teams. He represented Curley High in the Maryland Scholastics Association finals in 1982-83. During Mike's sophomore year he became seriously interested in golf, and by his senior year in high school he had organized and served as captain of the high school golf team and was voted Most Valuable Player. Mike attended the University of South Carolina.

He turned professional in 1986 while working as an assistant for Frank Laber at Longview Country Club. He was elected to PGA membership on December 1, 1989. Mike was hired by Geneva Farm Golf Club in February of 1990 as their first PGA Head Professional.

Currently, Mike holds the office of Northern Chapter President, and is the Section Education Committee Chairman. He has served in the past as Secretary of the Northern Chapter and as Chairman of the Northern Chapter Assistants' Association. Mike feels that the PGA Professional can "never rest on his/her laurels" but must continuously educate themselves in order to meet the needs of the changes that are taking place now in the golf industry.

Mike and his wife Susan just recently celebrated their first wedding anniversary. Susan teaches 4th grade in the Harford County, Maryland, school system. They are currently building a home in Pylesville, Maryland.
