Candidate for Director at Large

Middle Atlantic PGA Section

July 18, 2025

Fellow MAPGA Members,

It is with great pride and a sincere commitment that I announce my candidacy for **Director at Large** of the Middle Atlantic PGA.

Since becoming a PGA Member, I have been driven by a passion to elevate our profession, support our fellow professionals, and grow the game across all levels. As the Head Golf Professional at Spring Creek Golf Club since 2007, I've had the privilege of leading a talented team, mentoring aspiring professionals, and serving a diverse membership. These experiences have strengthened my belief that consistency and collaboration are the cornerstones of effective leadership.

In addition to my responsibilities at Spring Creek, I have proudly served as an officer of the **Southern Chapter since 2018** and currently I serve as **President** of the Chapter. I have also had the honor of being the **MAPGA Section Tournament Chair since 2020**, helping to elevate the quality and consistency of our tournament offerings and promote increased participation. These roles have given me a deep appreciation for the efforts of our section staff and fellow professionals—and a clear understanding of the work and responsibility that comes with representing our membership.

My goal as Director at Large is simple: to be a reliable, visible, and engaged representative for our membership. I will work to ensure your voices are heard and that we continue to build a section that supports its professionals not only in competition, but in career development, education, and everyday challenges. It would be an honor to serve the section in this role.

I appreciate your consideration and, above all, your dedication to our profession.

Sincerely,

Kevin Haney, PGA
