

PD Grant

Andrews AFB: 37%

Amount Requested: \$2500

Items Requested: 2- Big Moss Country Club 610 V2 putting green and chipping mat \$489 each total \$878/ 2-Range Servant Driving Range Tee targets 4' \$350 each total \$700 (10% discount if ordered by 3/1/24/ 2-Eyeline Golf Groove plus putting mirrors \$79 each total \$158 (possible PGA Member discount)/ 1-The Golfers choice indoor/outdoor practice net with tri turf mat \$99 2-Eyeline Golf 3'&6' target circles set \$49.99 each total \$99.98 (possible PGA Member discount) 3-Gosports Chipster sets 3 different sizes \$29.99 each total \$89.97 (I believe there is a discount as well? I also saw a price of \$22.99 from the the same site)

Comments: Help Vets and families is a good thing, Do we have any conflict with Reach money for HOPE vs. PD Grants? If we have funding available through Reach for HOPE materials and not enough money to fill all these grants, this could be a place where we can reduce against Grants to fund through a different pot of money. Missing budget, missing testimonial

Baltimore Municipal/ Pine Ridge: 40%

Amount Requested: \$2000

Items Requested: Golf grips- approximately \$750 (We have been purchasing grips from Amazon and they work great on our older clubs/donated clubs.) \$30 x 20 sets of 13 grips \$600 Putter Grips @\$10-\$15 per grip \$150 Golf Clubs US Kids UL60s: \$250 per set x 3 = \$750 Tour Edge Moda Silk \$500 Cost: approximately \$1250

Comments: Public, 501-3C non profit, The 2023 budget was proposed and not actual. Both 2023 and 2024 were proposed to make \$30k after all expenses so struggling with the need for this over other grants. The detail of the program and lesson plans are solid. Would recommend if funding available. Unsure of using new sets as 'demos' for purchase

Birdwood Golf: 32%

Amount Requested: \$1460

Items Requested: Artificial Turf - \$1,000, Perfect Putter Learning Aid - \$400, Proximity Rings - \$60

Comments: No revenue showed in the budget portion for 22-23 years, only expenses. They are spending money on items through OP 36 store but would ask to see how the revenue stacks up. Great ideas for the program and support. budget only includes expenses?, unsure if turf qualifies for grant I don't feel like the replacement of the turf or putter aide falls within the guidelines The majority of this is for capital improvements to the Boars Head Resort. This doesn't meet the criteria for the grant.

Cedar Point: 38%

Amount Requested: \$4000

Items Requested: Tour Edge Junior Golf Sets: Tour Edge HL-J Junior Set: 7 sets for ages 7-10, \$756 Tour Edge HL-J Junior Set: 7 Sets for ages 9-12, \$924 Tour Edge HL-J Junior Set: 6 sets for ages 11-14, \$ 864 SNAG Equipment: Rollerama Tent Targets: \$237 for 3 Flag Sticky: \$84.00 for 3 Large Bullseye: \$89.00 for 1 Launch Pads with Tees: 168.00 for set of 6 Training Aids: Orange Whip- \$199.99 for 2 Tour Aim 2.0- \$189.00 for 2 Adult Pressure Boards: \$259.98 for 2 Junior Pressure Boards: \$219.98 for 2 Bunker Mats: 119.98 for 2

Comments: No budget information provided. The equipment like the pressure boards make half sense. This seems like a partial funding opportunity. I do question why First Tee is using their equipment? I'm fine awarding a partial here. I'm not sure orange whips, pressure boards, etc are necessary

First Tee of DC: 34%

Amount Requested: \$5000

Items Requested: Junior Clubs and Bags- 2,500 (8 Sets of Teen Sets) (\$500 worth of junior and adult bags) School Program Supplemental Kit- \$800 Participant and Volunteer Gifts \$1,700

Comments: Would not be comfortable adding in the \$1700 for the volunteer gifts for the programming. Is the equipment to kids for them to keep or use at the facility on a rotational basis? unsure of participant and volunteer appreciation gifts/ The volunteer gifts shouldn't be apart of any grant approval/ \$1700 for volunteer appreciation gifts doesn't seem like the best use of money

Montgomery County Revenue: 29%
Amount Requested: \$2500

Items Requested: Snag golf and teaching aides for junior golf, possibly headed towards operation 36 or additional sets of tees for juniors

Comments: Not a ton of supporting detail nor a true cost analysis of the equipment to purchase. This is still very conceptual versus a true plan to request funding for...lacking details on proposal/ If I remember correctly, the grants don't go to support start up programs?/ Didn't seem to take much time on his application
